

Section 7 - ARIZONA ADDENDUM

7-1. Earned Paid Sick Time

Eligibility

Innowave Marketing Group provides earned paid sick time to employees who work in Arizona. For employees who work in Arizona who are eligible for sick time under the general Sick Days policy and/or any other applicable sick time/leave law or ordinance, this policy applies solely to the extent it provides greater benefits/rights on any specific issue or issues than the general Sick Days policy and/or any other applicable sick time/leave law or ordinance.

Accrual

Employees begin accruing earned paid sick time pursuant to this policy at the start of employment. Eligible employees will accrue one (1) hour of earned paid sick time for every 30 hours worked, up to a maximum accrual of 24 hours each calendar year. Exempt employees are assumed to work 40 hours in each workweek unless their normal workweek is less than 40 hours, in which case earned paid sick time accrues based upon that normal workweek. For purposes of this policy, the calendar year is the consecutive 12-month period beginning January 1 and ending on December 31.

Usage

Employees may use earned paid sick time on the 90th calendar day of employment. Earned paid sick time must be used in 1-minute increments. The employee may not use more than 24 hours of earned paid sick time in any calendar year.

Employees may use earned paid sick time for absences due to:

1. the employee's mental or physical illness, injury or health condition; the employee's need for medical diagnosis, care, or treatment of a mental or physical illness, injury or health condition; the employee's need for preventive medical care;
2. care of a family member with a mental or physical illness, injury or health condition; care of a family member who needs medical diagnosis, care, or treatment of a mental or physical illness, injury or health condition; care of a family member who needs preventive medical care;
3. closure of the employee's place of business by order of a public official due to a public health emergency or the employee's need to care for a child whose school or place of care has been closed by order of a public official due to a public health emergency, or care for oneself or a family member when it has been determined by the health authorities having jurisdiction or by a health care provider that the employee's or family member's presence in the community may jeopardize the health of others because of their exposure to a communicable disease, whether or not the employee or family member has actually contracted the communicable disease; or
4. a covered purpose relating to domestic violence, sexual violence, abuse or stalking to allow the employee to obtain (for himself or herself or for a family member) medical attention, services from a victims' organization, counseling, relocation and/or legal services.

For purposes of this policy, family member includes (regardless of age): a biological, adopted or foster child, stepchild or legal ward, a child of a domestic partner, a child to whom the employee stands in-loco-parentis or an individual to whom the employee stood in loco parentis when the individual was a minor; a biological, foster, stepparent or adoptive parent or legal guardian of the employee or the employee's spouse or domestic partner or a person who stood in loco parentis when the employee or employee's spouse or domestic partner was a minor child; spouse or domestic partner; a grandparent, grandchild or sibling (whether of a biological, foster, adoptive or step relationship) of the employee or the employee's spouse or domestic partner; or any other individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship.

The employee's use of earned paid sick time will not be conditioned upon searching for or finding a replacement worker.

Innowave Marketing Group will assume, subject to applicable law, that employees want to use available earned paid sick time for absences for reasons set forth above and employees will be paid for such absences to the extent they have earned paid sick time available.

Employees will be advised of their earned paid sick time balance information on their itemized wage statement.

Notice and Documentation

Employees are required to make a reasonable effort to schedule the use of earned paid sick time in a manner that does not unduly disrupt business operations. Requests to use earned paid sick time may be made orally, in writing or electronically (e.g., via email), and whenever possible, the request must include the expected duration of the employee's absence. When the use of earned sick time is not foreseeable, the employee is required to provide notice to enter the request in Gusto at least one (1) hour prior to the start of their workday or as soon as possible under the circumstances.
